# A NOTE FROM OUR EXECUTIVE PASTOR

Many years ago, we asked the question: Would Tucson miss us if Pantano closed down? Every year we try to reflect on the past year to celebrate our impact and evaluate whether we are making a difference. Is Tucson a better place? Are we engaged in changing lives? This report is one way we try to answer and measure the answers to these questions. We are a church with a vision to make our world, our city, and our neighborhoods different, to impact them with the love and hope of Jesus.

Generosity is about having an open heart to follow the leading of God to change the world. Though Robin and I have attempted to join God in making a difference for most of our lives, this last year he stretched our hearts to a new level of generosity. We opened our home to foster a teenage girl, but God had bigger plans. We joined God for what we thought was a journey to help launch a teenager that needed family support and we gained a daughter. On October 31st, Angel became a Blumenthal! Generosity makes a difference in my life and in the lives of others.

As you read these pages, may God remind you of your generosity stories and may you have the courage to share with others what your open heart has done for you, for others and for the Kingdom of God.

Blessings,

# OUR CHURCH VALUES

*These values are what makes us unique. These values are why we choose to be part of Pantano Christian Church.*

---

## **WE ARE UNAPOLOGETIC GRACE GIVERS**

We are all broken, incomplete people in need of God's grace. We meet people where they are and generously give away the grace we've freely received.

## **WHAT MATTERS MOST IS LOVING PEOPLE TO JESUS**

Loving God = Loving People. Everyone has value and matters to God. We pursue those who don't know Jesus to help them write a new life story with Him.

## **KINGDOM FIRST**

Being kingdom first drives us beyond our own church community. We strive to join God wherever He is at work. Church is who we are, wherever we are.

## **RADICAL GENEROSITY RESHAPES OUR WORLD**

As a kingdom-first church, we share our resources and people selflessly.

## **THE BIBLE TRANSFORMS HOW WE LIVE AND WHO WE BECOME**

The Bible is our primary source for transformation. We move beyond information to practical and relevant application.

## **CHANGED PEOPLE ARE CONNECTED PEOPLE**

Community is essential to connect with God and others in order to be transformed.

Our vision is to be a catalytic force to bless Southern Arizona and the world and all of our ministries are dedicated to accomplishing this vision. It is the passion and calling of our staff to carry out our vision and core values each and every day.
