

# THE HERNANDEZ MONTES FAMILY

## ABOUT MELISSA

VAIL

Melissa lives in Puerto Peñasco MX. She is a single mother to three children, Irvin who is 10, Devanie who is 5 and 3 year old Leah. Both Irvin and Devanie attend elementary school.

Melissa works cleaning houses and earns about \$65 a week. She is also a talented artisan and makes and sells various handcrafts to help support her family. She hopes on day to be able to open a store of her own where she can sell her products.

Melissa has been making payments on her land lot and will receive the title soon. She and the children are currently living in an old RV on her lot. The trailer is in very poor condition, offering little security or protection from the elements. Melissa's income is barely sufficient to cover the family's daily living expenses. A home from 1MISSION would give her a safe and secure place to raise her children, allowing her to have the hope of creating a secure future for her family.
