

THE LOPEZ ALCAZAR FAMILY

ABOUT DANIEL & LUCIA

PANTANO

Daniel and Lucia are originally from Hermosillo, Sonora and have lived in Puerto Peñasco for the past three years. They have been together for seven years and have two young children, Maria who is five, and Daniel who is two. Daniel works as a fisherman and when the season is good he can earn up to \$100 a week, but this can fluctuate and he may have periods of time where he earns very little. The family has had their land lot for three years but they are still renting because they cannot afford to build a home on their own.

Lucia is now expecting their third child and they are anxious for a safe home for their young children. A house from 1MISSION would give them a secure place to live where they can be free from their rent payments, allowing them to focus their limited resources on providing for their family.
