

THE GARIBAY MARTINEZ FAMILY

ABOUT GUILLERMO & ANGELA

VAIL

Guillermo has lived his whole life in Puerto Peñasco, MX. He works seasonally as a fisherman and also as an auto mechanic in a local shop.

Angela was born in the state of Sinaloa, but lived for a number of years in Phoenix. That is where she married her first husband and had her three children. She has experience as a dental assistant and is teaching English in her community. Angela left Phoenix for Peñasco 15 years ago in response to problems with her marriage. The children stayed in Phoenix with their grandparents and are all young adults now. The oldest son is serving in the US Army.

Twelve years ago, Angela met Guillermo and they have been together ever since. The family is currently renting an *Infonovit* home but the rent is high, and hard to manage with Guillermo's inconsistent income. They have been able to secure title on a land lot but have not been able to afford to build a home. A house from 1MISSION would free them from the rent payments, allowing them to work towards creating a secure future in Puerto Peñasco.
