

THE CALLES DELGADO FAMILY

ABOUT SILVIA & JESUS

PANTANO

Silvia and Jesus have been married for 21 years. Silvia has two daughters from her first marriage, and together they have one son.

They are originally from Guerrero but they were living in Phoenix until January 2019, when Jesus had to leave the country. Silvia followed him to Puerto Peñasco so they could be together.

Jesus is under medical treatment for diabetes, but this and his age make it difficult for him to get regular work. Silvia worked as a nurse when they lived in Guerrero, but does not have work in Peñasco. Their son has been able to provide some assistance to help them meet their daily needs. Though they have a land lot, they are without the means to be able to build a secure home on their own and are currently paying to rent an old RV trailer that is in poor condition. Since being in Peñasco, Silvia and Jesus have really struggled to get back on their feet.

A house from 1MISSION would give them the peace of mind of having a safe and comfortable home to live in, while they work towards securing a stable retirement.
