

# School Support

## I am committing to:

### \_\_\_\_\_ Dessert thank you's for school staff

You will be making/purchasing and delivering a dessert to show support and appreciation to our local schools for the love and influence they have over the children in our community.

- The school is excited that we will be delivering these desserts to their staff. The dessert should feed 10+, and be delivered by 10:00am. Pantano will provide the plates, forks and napkins for your desserts.
- Pantano will provide the signs to place with the desserts so that school staff knows of our appreciation for their efforts.
- Please see the section below for the **specific school/date of delivery** – all desserts will be delivered within the **next 2 weeks**.

***Please let the staff member at the table know which school you will be delivering to:***

### \_\_\_\_\_ Needed: school supplies

We have contacted several schools in the 29th Street Corridor and they have expressed a need for certain supplies. These supplies should be brought back to Pantano **NO LATER THAN Sunday, May 15th**, so that we can have them delivered the next day!

- The supplies you are committing to bring/buy are: reams of paper, Kleenex, hand sanitizer, #2 pencils, washable markers, glue bottles, lined paper packs.

### \_\_\_\_\_ Gas and food cards - Gridley Middle School

The Principal of Gridley Middle School, Kathy Scheppe, often has students who come in and share with her that their family is out of food. With summer approaching, we would like to give her a number of \$20 gift cards to Frys for Food so that she can share some of these with needed families. She often gives her cell phone to students so that they can reach her if they have a need over the summer.

- We would like to give these cards to her by May 16th, so please bring them back to the church by **Sunday, May 15th**. The gift cards will be put in with a letter saying that that they are given as a blessing by Pantano Christian Church.

**I can/will DO more in the next few weeks...**  
**Want to do more to support our local schools and  
the children whose lives their staff influences?**

- Have your child make a card or special gift for the end of the year to thank their teacher for their time, effort and influence.
- Send in a card/gift for the office and support staff (don't forget the Custodian!)
- Bring a plate of brownies on the last day of school for the office to share
- Pray for your school staff
- Invite your child's teacher over for dinner
- Volunteer to come and share about your vocation or share your hobby with a class
- Donate some new or gently used books to your local school library
- Or - \_\_\_\_\_

**I can/will DO even more in the coming months....**

- Join the School Site Council and have influence on budget and other important decisions
- Sign up to help tutor children who are struggling
- Ask about coming in to read to younger children
- Work in the library cataloguing and shelving books and helping children with resources
- Help out at Pantano's free Math Tutoring for HS students on Tuesday nights
- Join the PTA or PTSA – be involved!
- Think about starting a Christian club or other after school program
- Volunteer to do something that you are gifted or skilled at
- Take your child's principal to lunch and ask them what is one thing they wished they had at their school, then provide it for them
- Or - \_\_\_\_\_
