Contact: Jan Rosado, Outreach Ministry Assistant, jrosado@pantano.church or call (520) 298-5395

Mandatory Team Meetings: Each participant will be **required** to attend a team meeting before the trip.

Our Partnership: 1Mission

1Mission is a Christian ministry that gives people in poverty the opportunity to earn a home free of charge by serving in their community.

1Mission utilizes the CHE strategy, which stands for Community Health Evangelism. It is a holistic ministry strategy that integrates evangelism, discipleship and church planting with community health and development. The CHE strategy is being used in over 100 countries. It is the primary strategy that Pantano partners are using around the world for community transformation.

What will we be doing?

Building Homes: We partner with 1Mission and members of the local community to build homes for those in need. Although this is a house-building project, the focus of the project is building relationships. It's work! It's fun! It's gratifying! In over 25 years of mission trips, Pantano has seen entire neighborhoods transformed.

Children's outreach: Called "Los Niños," you will participate in a "mini vacation bible school" using arts and crafts, games, songs, and Bible stories with local children. The Los Niño's team also provides outreach and ministry to the mothers of the children.

Kitchen team: This amazing team prepares meals for trip participants for breakfast, lunch & dinner, as well as providing drinks and snacks to the build sites!

What does the trip cost cover?

Trip costs include the price of food, bottled water, campsite fees, all house-building materials, 1Mission costs, background checks, and Rocky Point t-shirts. Pantano does not make a profit and actually significantly subsidizes the trip costs to help keep it affordable. In the last couple of years, the trip prices have increased, so we have implemented a simplified pricing structure this year to adjust trip costs.

Who can participate?

Everyone! This is a family-friendly mission. All ages are welcome. You do not have to have special construction skills. We'll show you what to do! If you cannot go, you can still participate by providing prayer support or making a donation to the scholarship fund so others may be the hands and feet of Jesus.

What forms do I fill out?

As part of the Rocky Point mission trip we expect the registration, Pantano and 1 Mission liability release forms to be submitted to Pantano Christian Church in a timely manner. These forms can be found under Step 2 of the Rocky Point mission website <https://pantano.church/rockypoint>. All participants must also submit for a background check to attend the mission.

As a Rocky Point team member what is expected of me?

It is expected that all team members attend all pre-mission meetings. Stay in communication with your team during the trip. A **mandatory check-in** for all members is required on Thursday, October 14th at The Reef RV Park no later than 11am, regardless of accommodations.

Attending nightly team debriefs throughout the trip is also required.

What T-Shirt size should I get?

We have attached the adult size chart below to reference. Please know that we order an exact number of shirts and are unable to exchange your shirt for a different size.

Size	XXS	XS	S	M	L	XL	2XL	3XL
Width	15	16.5	18	20	22	24	26	28
Length	25	26	28	29	30	31	32	33

Is Rocky Point safe?

Yes. We feel Rocky Point is reasonably safe. Being a tourist destination, the Mexican government goes to great lengths to keep everyone in Rocky Point safe. Any international travel can carry some risks, but we take precautions to keep you as safe as possible. Anytime you travel, even in the U.S., you should be aware of your surroundings and take reasonable steps to protect your belongings and person. We do safety training in the pre-mission meetings and daily on the work site.

We drive to Mexico in caravans and strongly urge everyone not to drive at night as per US State Department warnings.

What should I pack?

Some things that may be helpful are: water bottles, non-melting snacks, passports/birth certificates, parental consent forms (if applicable), breakfast/lunch for Thursday, shower flip flops, a towel, a small fan for your tent or bedside, folding chairs (for team debriefs), work boots and long pants (for work sites). How about a pair of water shoes for the beach!

I am driving my vehicle, do I need anything?

Yes! It is important you are insured with Mexican car insurance. We like mexadventure.com/, but there are many easy options online.

Also, we strongly suggest you have an auto check-up before driving your vehicle down to Mexico. There may or may not be access to reliable mechanics while in-country.

Reminder: Make sure your vehicle is free of any firearms, ammo, or ammo shells. You cannot cross the border with any of these items.

Where do we stay?

We camp at The Reef RV Campground in tents & campers on the beach. The address is: Boulevard Paseo de la Duna, Playa Arenos, Puerto Peñasco, Son., Mexico. There are bathrooms and showers available. Camp fees are included in your registration cost. If you're unable to camp, there are condos and hotels nearby. Participants assume all costs and transportation responsibilities of off-site accommodations.

What are we going to eat?

We will have an amazing kitchen team that will prepare delicious meals for us. Meals begin Thursday night and the last meal will be a grab and go breakfast Sunday morning. You'll need to bring your own lunch for Thursday while driving down to Mexico. We will share a tentative menu in advance and do our best to accommodate dietary restrictions.

Do I need a passport?

Passports are required for all participants **16 years old & older**. US Citizens age 15 or younger must travel with a birth certificate; original or copy.

What do Minors need?

All minors must have a notarized parental consent signed by both parents. These forms can be found under Trip Details of the Rocky Point mission website <https://pantano.church/rockypoint> listed under Minor form.

Do I need to get any shots?

None are required for travel in Mexico. Many people that go to Rocky Point do not get any special vaccinations. The CDC has recommendations for Mexico but does not get specific about Rocky Point. They recommend: "most travelers get vaccinated against Typhoid and Hepatitis A". The church does not require these to participate. We want to make you aware of the CDC's recommendations, but it is up to your discretion. Mexico has limited access to the COVID vaccine and is requiring masks in all public places as well as in vehicles with two or more people.

I am no longer able to attend, what do I do?

If you can no longer attend the Rocky Point trip, we need to know immediately! This affects team size, camping reservations, and much more. Your trip cost is a tax-deductible donation and is **non-refundable** per the IRS. Please contact Janet Rosado at jrosado@pantano.church or 520.298.5395.
